POSTAL SAVINGS OF BISBEE RANKS FORTY-EIGHTH IN COUNTRY

Bisbee, Arizona, out of over three hundred thousand postoffices in the United States, ranks forty eighth among all of them in the matter of postal savings deposits. This information was contained in a letter received from the third assistant postmaster general by Postmaster L. R. Bailey. The amount on hand at the Bisbee office, June 1, amounted to \$161,521. This amount has been increased to \$182,040, as of yesterday, which would bring Bisbee's standing in the list to forty second place.

Postal savings deposits for May, 1916, showed a gain for the month of nearly \$2,000,000, double the gain for the corresponding month in 1915. New York City with \$18,158,452 on deposit—a gain for the month of \$454,800—led all postoffices. The five other offices showing the next largest gains were Brooklyn, \$164,755; Pittsburgh, \$80,938; Chicago, \$73,833; Boston, \$57,006, and Cleveland, \$50,324.

On May 31st, 7,702 post offices were accepting deposits in the United States, Alaska, Porto Rico and Hawaii. All but 852 of the depository offices were of the Presidential grade. The number of depositors approximated

gan, \$212,819; Duluth, \$222,188. If Bisbee's present standing might be cited in the table, the local office 600,000 with \$82,250,000 standing to their credit. Of this sum, \$89,000,000, or even four-fifths, were accumulated at the 435 offices having deposits of \$20,000 and over, and nearly two-thirds of all the deposits were in the 72 offices having more than \$100,000 on deposit. Eight offices have passed the million-dollar mark—New York, Chicago, Boston, Detroit, Pittsburgh, San Francisco and Portland, Oregon—and these eight offices hold approximately 42 per cent of all deposits.

The banks which had qualified to accept postal savings deposits number 5,649, divided as follows:

3,555 National Banks; 1,264 State Banks; 262 Savings Banks; 547 Trust companies, and 21 "Organized" Private Banks.

The first ten post offices in the United States, with their respective savings deposits are: New York, \$18,158,452; Brooklyn, \$5,497,045; Chicago, \$3,785,892; Boston, \$1,970,190; Detroit, \$1,695,910; Pittsburgh, \$1,290,997; San Francisco, \$1,065,560; Portland, Oregon, \$1,014,630; Philadelphia, \$945,638; Milwaukee, \$833,954.

The ten cities, having larger deposits than Bisbee and immediately preceding than the local office in amounts, are: New Orleans, \$162,970; Gary, Indiana, \$168,833; Dayton, Ohio, \$171,499; San Diego, \$176,686; Indianapolis, \$177,429; Erie, Pa., \$178,134; Dallas, Texas, \$187,292; Kansas City, Kansas, \$189,201; Ironwood, Michi-

gan, \$212,819; Duluth, \$222,188. If Bisbee's present standing might be cited in the table, the local office 600,000 with \$82,250,000 standing to their credit. Of this sum, \$89,000,000, or even four-fifths, were accumulated at the 435 offices having deposits of \$20,000 and over, and nearly two-thirds of all the deposits were in the 72 offices having more than \$100,000 on deposit. Eight offices have passed the million-dollar mark—New York, Chicago, Boston, Detroit, Pittsburgh, San Francisco and Portland, Oregon—and these eight offices hold approximately 42 per cent of all deposits.

Nothing To Be Added To The Maxwell

YOU will never want to add anything to your Maxwell. The purchase price includes everything you will ever need or desire for luxurious motoring.

You won't want to disguise the hood or buy a new body or put in another carburetor or ignition system or install electric lights or a self-starter.

You won't want a new radiator or springs or new spark plugs or shock-absorbers or a new top.

You need add nothing for comfort, reliability, beauty, economy or convenience. If it is a Maxwell, your car, your experience and your investment are complete.

That is the way that Maxwells are designed, manufactured and sold.

Question the owners of other motor cars—any other motor cars—and see if they are equally satisfied with their motoring investment.
